Weekend Islamic School

SimplyIslam is a school that offers youth and children everything they need to develop into Muslims that are in harmony with the world around them. We offer classes for Islamic studies during the weekends for students of ages 4 to 21. We have in store an interesting package of learning initiatives that are innovative and interesting, especially to the young.

Learning Objectives

Our weekend Islamic school cover subjects like Qur'an, Hadith, Arabic language, Faith essentials,

Islamic history, Islamic devotions, Islamic law, social studies, morals and ethics. Check out our website for more details.

No uniforms! That's right. We welcome the diversity of fashion that our students use to express themselves, and it's a good learning experience for them to learn about the acceptable styles of dressing.
